

Participation at the Regeneron ISEF 2023

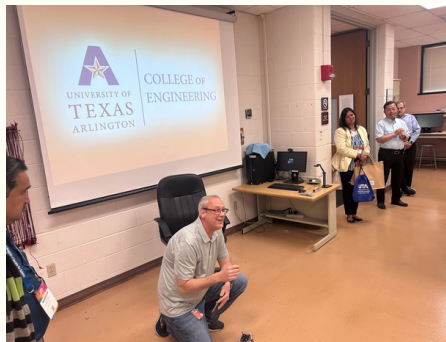

The Regeneron International Science and Engineering Fair or ISEF is the world's largest pre-collegiate STEM competition. Students from over 75 countries participate at what has come to be known as the Olympics of Science Fairs. The winners of the Initiative for Research and Innovation in STEM (IRIS) National Fair represent our country as Team INDIA and have been shining brightly at ISEF since the year 1999. The IRIS National fair, a program of EXSTEMPLAR Education Linkers Foundation, is funded by the Department of Science and Technology, Government of India (DST) and Broadcom. It is an annual event where students of grades 5-12 compete to form Team India to represent the country at the Regeneron International Science and Engineering Fair held each year in the United States of America.

314 Indian students have participated in ISEF since 1999 courtesy their Winning at IRIS National Fair and have won over 202 awards and accolades at ISEF. This year the 20 projects that made up team India brought home a collective of 12 awards making the Tri-color soar higher than ever.

Team started their journey from New Delhi on 12th May 2023 post attending an official Flag-off ceremony held in gracious presence of Dr. Srivari Chandrashekhar, Secretary, Department of Science & Technology, Government of India

Regeneron ISEF 2022 Winners

Spurti Nimbali - 3rd place Special Award from American Psychological Association

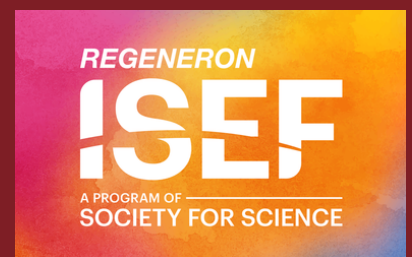

Sarvesh Prabhu - Award to participate in summer school at "Web Valley" in Italy

Ahitagni Das - Full Scholarship from King Fahd University of Petroleum and Minerals (KFUPM) (and a \$400 cash prize)

Vedant Rajashekhar Lakkundi - 1st place Special Award - National Anti-Vivisection Society - \$10,000

Nandika Auluck - 2nd place Special Award Serving Society Through Science - \$500

Aditya Kumar Jha and Ishan Choudhary - 2nd place Global Health Award by USAID Science for Development - \$3000

Regeneron ISEF 2022 Winners

Aditya Kumar Jha and Ishan Choudhary - 2nd place Grand Award in the Biochemistry category - \$2000

Shaurya Khosla - 3rd place Grand Award in the Biomedical Engineering category - \$1000

Sarvesh Prabhu - 3rd place Grand Award in the Chemistry category - \$1000

Shashvat and Vivasvat Rastogi - 4th place Grand Award - in the Computational Biology and Bioinformatics category - \$500

Mohan Durga Manikanta Nalla and Vinay Kumar Varada - 4th place Grand Award in the Energy: Sustainable Materials and Design category - \$500

Soumya Agrawal and Vanshika Digania - 3rd place Grand Award - in the Translational Medical Science category - \$1000
